

Can HR make the difference between M&A success or failure?

HR is critical role for M&A success:

Compliance

Are you on top of the 35,000 global tax and social security changes that take place every year?²

Technology

Communication is the second biggest challenge to success.³ Don't let poor tools get in the way.

Culture

Culture eats strategy for breakfast. If you don't have the culture that supports the execution of that strategy, you're going to have a problem.

Having the expertise to develop:

- A plan
- Integrate employees quickly
- Create standardisation and best practices

while:

- Eliminating poor
- Redundant policies or duplicate processes

IS CRITICAL!

An HR partner will stop mistakes during the integration process:

Global payroll coverage and reporting

The transfer of employees

Payments of taxes and social insurance contributions

Occupational health and safety issues
